CELEBRATE IMPACT

We're bringing back 8th annual MIX ODYSSEY

THE Memphis Mixology Competition
Wednesday, April 30th || 6 - 9 pm

What better way to celebrate a month-long challenge of **Local Impact for Global Good** than by bringing back a beloved event for a sunset cocktail party over the mighty Mississippi?!

We'll kickoff the night by announcing the collective impact from this month of service to recognize all the ways Memphians are working toward more good for our city.

Then, Mix-Odyssey lets you **experience custom-recipe cocktails from 6 mixologists from across the city**. At the end of the night, participants choose the **Memphis Mixologist of the Year** - more donations equals more votes for your favorite bartender.

We could not be more excited about our venue. Mix will be one of the first events hosted at the renovated **BVO space on Mud Island**. BVO is the nickname for the new experience 'Baron Von Opperbean and the River of Time,' that has taken over the retired Mississippi River Museum to create an immersive entertainment adventure. While it's not open yet, guests will get a sneak peek of their creation while we celebrate in the River Room & on the lawn, overlooking the river for a spring sunset.
